

PROPOSED
1/29/25

Safety and Security Committee (S&SC)
2025 Long Range Plans

Date: January 16, 2025

Committee Chairperson: Mike Rogers

1. Continue to monitor expiration dates of AED batteries and pads, and replace as necessary
2. Purchase first aid equipment as needed for AED kits
3. Continue AED and CCR training for employees
4. Continue planning for future Safety Days
5. Continue planning for speakers, such as law enforcement and fire, on separate dates
6. Continue to pursue grants to offset costs for replacement equipment
7. Budget for speeding study, and speed control equipment
