The Show is amazing, playing all the famous "Phil Collins" Colossal solo Hits as well as the famous Genesis songs...Everyone sings and dances at a "OMN" concert. The visual of the lead singer and "dead on" vocals, really makes you think you're watching the real deal.

Come and celebrate the music of Phil Collins and Genesis and let's experience "One More Night" once again...

TEEN IDOLS

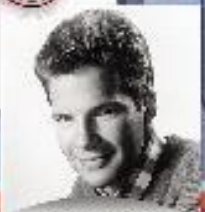

EVERLY BROTHERS

DION

CONNIE FRANCIS

BOBBY VEE

PAUL ANKA

Featuring

Austin J. Morris

Nothing stir-up old memories like revisiting the music of our teen years. TEEN IDOLS take you on a memorable stroll down lovers lane in a romantic concert tribute where girls in poodle skirts swooned and "dreamboats" with pompadours had hearts throbbing across America.

Some got their start on American Bandstand and others made it on the strength of a single smash-hit that propelled them into the stratosphere and engaged fans worldwide. Relive "Teen Idol Fundamentals" as the sights and sounds of Bobby Vee, Frankie Avalon, Paul Anka, Ricky Nelson, Dion, the Everly Brothers and many more make your heart go pitter-patter just as they did when their voices first rang out on AM radio speakers and black-and-white televisions creating a nostalgic piece of Americana now ingrained in our minds forever!

"And they called it Puppy Love
Just because we're seventeen.
Tell them all, oh, please tell them
It isn't fair to take away my only dream..."

Puppy Love, 1960 - Paul Anka
