I moved to SL#2 IN 1993. The first thing I did for the Association was design, acquire permits, and subcontractors for the bocce ball courts. Then the Palo Verde pro shop. Next the 16-cart garage behind the Cottonwood pro shop. Then I added 12 feet to the C W pro shop patio and roof. I drew the SL#2 map. The final project was the piping in Cottonwood from well 33 to the South Lake in the Cottonwood Circle to get better quality water to the C W golf course.

I was treasurer of our Association in 2000,2001.

I play golf on both courses 4-6 times a week. I have had 9 holes-in-one. I love our Association and facilities.

I recently made the general manager and the BOD aware of the fact that the BOD was violating our bylaws. I have been informed they are in the process of "changing their ways" to follow the bylaws. This will result in golfers being charged a fee for the "USE" of the golf courses as per the bylaws, but not the maintenance of the courses, which each "lot" is to be assessed per Article 4.1.1.

If I am elected to the board, with the support of 3 other members, we will follow the bylaws.

Sincerely,

Gervais E. (BUD) Murray
